

Second Baptist Child Development Center

Mission Statement:

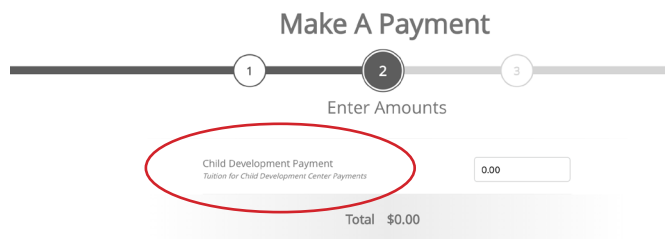

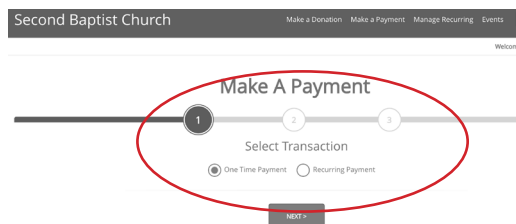

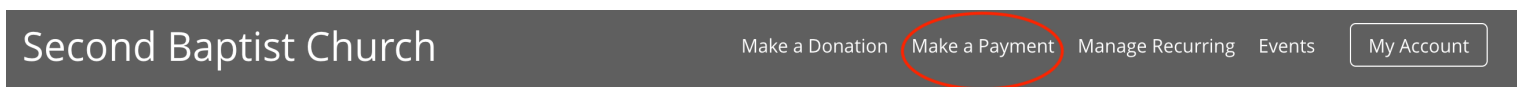

- At Second Baptist Child Development Center, the goal is to give your child a quality Christian education in a loving environment. It is our desire to meet the needs of each child spiritually, emotionally, socially and intellectually in order to prepare them for the challenges of tomorrow. We provide a safe and secure environment whereby, the child feels free to take those important steps in learning, which will mold and shape their lives long after they have left our center. Each child is a unique gift from God and we count it a privilege to partner with parents to see that each one receives the foundation they need to achieve success.

Enrollment Process:

1. **Complete on-line application**, be sure to digitally sign, submit and confirm your signature with the link you receive via email.

Payment Due at the Time of Registration

2. **Make your payment on-line on the webpage link.**
 - **\$50.00 non-refundable enrollment fee**
 - **First month tuition:** *The first payable month is September. August tuition is forgiven upfront for days not in session during the school year. See the enrollment application for your monthly rate.*
 - **NOTE: BE SURE TO CHOOSE MAKE A PAYMENT IN THE GREY BOX AT THE TOP OF THE PAYMENT PAGE.**

3. **Download and Print your medical forms and have your physician complete them.** They may be returned by FAX, the number is 417-887-2131, ATT: Michele. The number is also located at the bottom of the forms. If you have a child that will be immunization exempt, please obtain an exemption form at the Health Department and submit within 10 days of registration.

General Information:

All students will be graded on **their age on August 1** of the current school year. No exceptions to this guideline will be considered.

- **Children enrolled for three or four year old classes must be completely potty trained in order to participate.**

Session hours are 9:00 am to 1:00 pm.

- Please view, download and retain a copy of the calendar to see all dates classes will be offered year round. Classes will follow Springfield School Calendar with these exceptions, **Good Friday will be observed and classes dismissed, and school will begin the week following Springfield Schools.**
- Summer classes will be offered and will be posted on the school calendar as the summer calendar is approved. Registration for summer classes will begin mid-April. View your school calendar for a specific date.

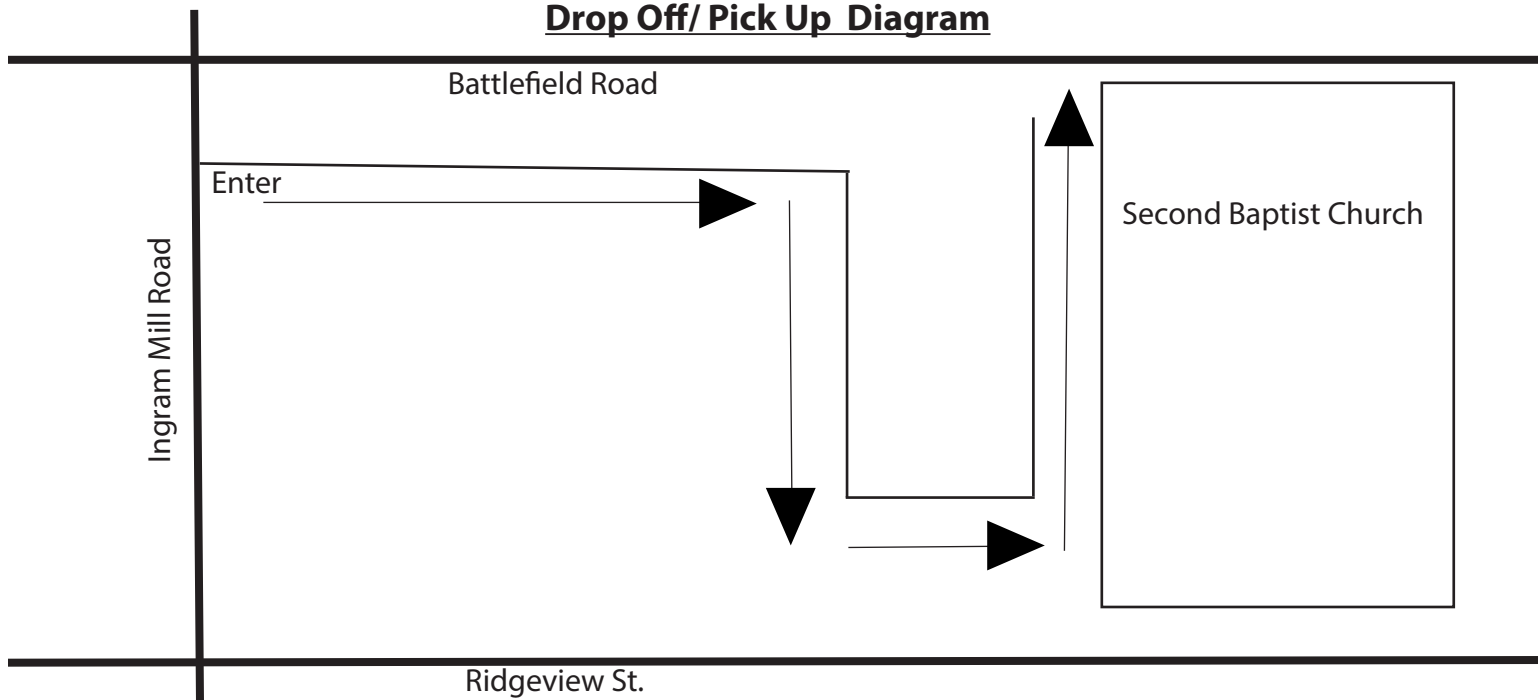

Tuition:

Tuition is to be paid on a monthly basis on the first day of each month. A payment envelope will be provided for you to return your payment in each month. Payment may be made by check or on-line via Secure Pay on the website. You are able to make this a one time payment or set up automatic payments to be paid on the first day of each month. If you pay on Secure Pay, please return your payment envelope and note you made an online payment each month. These envelopes are kept on file to verify your payment.

Drop Off and Pick Up:

For children **under age two**, you will enter the building at the main entrance and use the secure check-in procedure located in the Tiny Town area. Carline will be located on the east side of the building under the portico for **two, three and four year olds**. The line will commence at 8:45 am for dropoff and 12:45 pm for pick up. Please, **hang the center provided cartag from your review mirror** with the name facing outward for teachers to identify the child you will be picking up. If you would encounter an emergency that would involve picking your child up late, please note the number located on the back of your cartag (**417-887-7153**) to notify the center of your emergency situation.

Drop Off/ Pick Up Diagram

Late Fees:

You will be responsible for a late fee paid directly to your child's teacher that will be charged at the rate of **\$5.00 for every 15 minutes** you are late beginning at 1:01 pm.

Lunch:

Send a sack lunch for your child each day. Please, make sure you send items that do not need to be reheated or refrigerated as the Health Department regulations state, we are **NOT** allowed to do any food preparations due to facility license. If you send cold foods be sure to include a cold pack as you would for elementary school.

Birthdays at School:

Your child may celebrate their birthday at school by bringing a special snack to be shared with their classmates at lunch. We ask that it be something small and easy for teachers to distribute. **No ice cream or large cupcakes.** Invitations for parties held away from the facility may be distributed if they include all students in the classroom.

Classroom Parties:

We will allow parents to help conduct classroom parties on a rotating basis. Look for a sign up sheet in the classroom. To make this a special time for your preschool student please make other childcare arrangements for siblings.

Events:

We have participated in the following events in past years and plan to continue some or all of these activities as the yearly schedule permits. Be sure to watch the preschool calendar for the scheduling of these extra, fun events. Programming will be based on availability and age appropriate activity level.

- Open House
- Parent / Teacher Conferences
- Class Parties
- Buddy Breakfast
- Mommy and Me Event
- Grandparent Event
- Art Show
- Music Program
- Spanish Classes
- Animal Encounters from Dickerson Park Zoo
- Stretch and Grow

For Each Child We provide:

Activities for intellectual stimulation at their level.

Opportunities for maximum social growth.

Assistance in sound emotional development.

Guidance in a Christian environment for basic spiritual development.

- Love
- Acceptance
- Security
- Guidance
- Sense of Trust
- Independence
- Self-Control

Every Child Needs:

Loving care is the best insurance through which a child will develop the security and positive attitude toward themselves needed to succeed in their lifetime. Teachers will team with parents to cultivate growth in independence and self-respect.

A Day At School:

Centers: A time for art, dramatic play, writing, reading, puzzles, math, nature, science and blocks.

Large Group Activities: Teacher directed lessons, listening to stories, conversation, sharing and singing.

Table Time: Projects which promote learning to listen, following directions, writing skills, math skills and enhance small motor skills.

Music: One day per week, children will attend music class to sing songs and learn basic rhythms and notes.

Active Play: Time for coordination and large muscle development.

Learning Activities and Developmental Time:

- Art Activities
- Math Skills
- Books
- Science Experiments
- Blocks
- Listening to Stories
- Games
- Discussion
- Nature and Science
- Show and Tell
- Music
- Active Play
- Home Living
- Music Class
- Pre-Reading Activities
- Each activity will be geared to age appropriateness with each classroom.

Class Objectives:

Infant/Toddler Classes:

Nurture and encourage milestone development through social interaction and playtime.

Two Year Old Classes:

Developing social skills, learning colors and shapes, recognizing some letters, learning to listen and to follow simple directions.

Three Year Old Classes:

Sharpen social skills, reinforce letter recognition, name recognition, tracing letters, number concepts and introduce problem solving skills.

Pre-K Classes:

Develop the importance of personal responsibility, pre-reading skills, number meaning, sequencing, simple concepts and mature problem solving skills.

Learning Objectives:

It is our goal to teach each objective in a fun, interesting, imaginative manner that encourages children to learn and achieve desired behaviors and responses and to create an environment of fairness, friendship and trust between peers and feelings of love and respect between teacher and student.

Spiritual Objectives:

- The Bible is God's Word
- The Bible is true, God loves each of us, Jesus is God's son
- God wants us to talk to Him by praying
- God hears our prayers and answers them
- The Bible teaches us how to live and make good choices
- God has a plan for each life
- Life application of various Bible stories
- True meaning of Christian holidays
